DORA metrics in Eiffel

Erik Sternerson, doWhile / Volvo Cars

In this talk

- The DORA metrics
- DORA metrics through Eiffel events

DEVOPS RESEARCH & ASSESSMENT

The DORA metrics

Deployment Frequency

Deployment Frequency

How often does your organization deploy code to production or release it to end users?

Lead Time for Changes

Lead Time for Changes

How long does it take to go from code committed to code successfully running in production?

Change Failure Rate

Change Failure Rate

What percentage of changes to production or releases to users result in degraded service and subsequently require remediation?

Time to Restore

Time to Restore

How long does it generally take to restore service when a service incident or a defect that impacts users occurs?

DORA Metrics

- Deployment Frequency
- Lead Time for Changes
- Change Failure Rate
